ABERDEEN PHILATELIC SOCIETY 1910-2010 – a History of Philately in Northeast Scotland

By Jeffrey C Stone, published by Aberdeen Philatelic Society, pp.165, 20.8 x 14.7 cm, soft bound, 70 mainly colour illustrations, index, bibliography, ISBN 978 0 9509891 1 2. Available from the Society, price £12 plus £1.50 post and packing; cheques in favour of “Aberdeen Philatelic Society”.

The book was written to celebrate the centennial of a Society which was constituted in 1910 as The Aberdeen and North of Scotland Philatelic Society, but it is more than a history of Scotland's fourth philatelic society. The way that the Aberdeen Philatelic Society evolved reflects the way that the hobby has changed; what philatelists chose to collect and study, the way that they collected and displayed, how societies variously conducted their business and how the popularity of the hobby and of organised philately has fluctuated over the years.
